Hey I'm almost to your office but I've just received an emergency phone call and I have to return to the district. Do you want to try to conference call with Barlow and I together?

Got it. Can you call me sometime Friday morning at 385-4232 so we can discuss ? ('m tied up in meetings tomorrow from 8:30 - 4:30.)

Also, are you available to be present at the Interview next Monday at 4:30? (I believe Danny teaches a class then, so your presence would be very helpful.)

Colleagues,

We have received notification that our Project Team Interview for the U of M Interdisciplinary Innovation Grant is Monday, January 23 from 4:30 - 5:00 p.m. in the Administration Building, Room 136. ALL THE U OF M COLLABORATORS ARE EXPECTED TO BE PRESENT. IF YOU ARE AMONG THE NINE INDIVIDUALS TO WHOM THIS MEMO IS ADDRESSED, YOU ARE AMONG THAT GROUP, ALONG WITH MYSELF.

If you are one of our community collaborators (the D.A. and police director), you are invited, and your presence would obviously help.

Dr. Madden is working on a draft power point for use at the interview. However, we really need to meet to discuss and prepare for the presentation, using her draft as a starting point. We realize this is short notice but would like to meet this Thursday, January 19 at 8:30 a.m. at the Urban Child Institute, 600 Adams Avenue, where parking will be easy. We will meet in one of the conference rooms on the first floor. The meeting should take about one hour. If you cannot attend, Dr. Madden or I will try to get with you one-on-one if at all possible before Monday.

PLEASE CONFIRM to Linda Russell asap at lrssell8@memphis.edu whether or not you be in attendance at:

1. The Project Team Interview on Monday, January 23 and
2. The preparation meeting on Thursday, January 19.
